

Initial Set-Up Steps for Church Center App

Step 1: Click your App Store icon.

Step 2: **Type** "Church Center" in the search bar. **Click** "GET" next to the correct app.

Step 3: Once the app has downloaded, click "OPEN" and you should see this screen. **Click** "Get started".

Step 4a: Choose any of the three options to find Oakwood Community Church.

Step 4b: This example is showing where to type the church address. **Type** the address, then hit enter.

Step 5: **Click** the "Oakwood Community Church" icon.

Step 6: **Click** "This is my church"

Step 7: **Click** "Next".

Step 8: **Type** your mobile number and **click** "Next". (You can also choose to enter an email instead.)

Step 9: If Oakwood has your contact information, your name will appear. If it does, then **click** "Log in as..."

Step 10: Some phones have a Face ID access option. If your phone does, you can choose "Enable Face ID" or choose "Not now".

Step 11: **Click** "Don't Allow" or "Allow".

Step 12: **Type** the amount you would like to give.

Step 13: **Choose from the options menus.** **FUND:** To which fund do you want the money to go? **FREQUENCY:** How often do you want this to occur? **PAYMENT METHOD:** From what account do you want the money to be drawn? (You can add a bank account or add debit/credit card.)

Step 14: **Click** the circle agreeing to cover the processing fee. **Click** "Next".

Step 15: If everything is correct, **click** "Give...now". If there is an error, click "Make changes".

Step 16: You have now donated and can now close the app!
